ABOUT US

Founder's Message

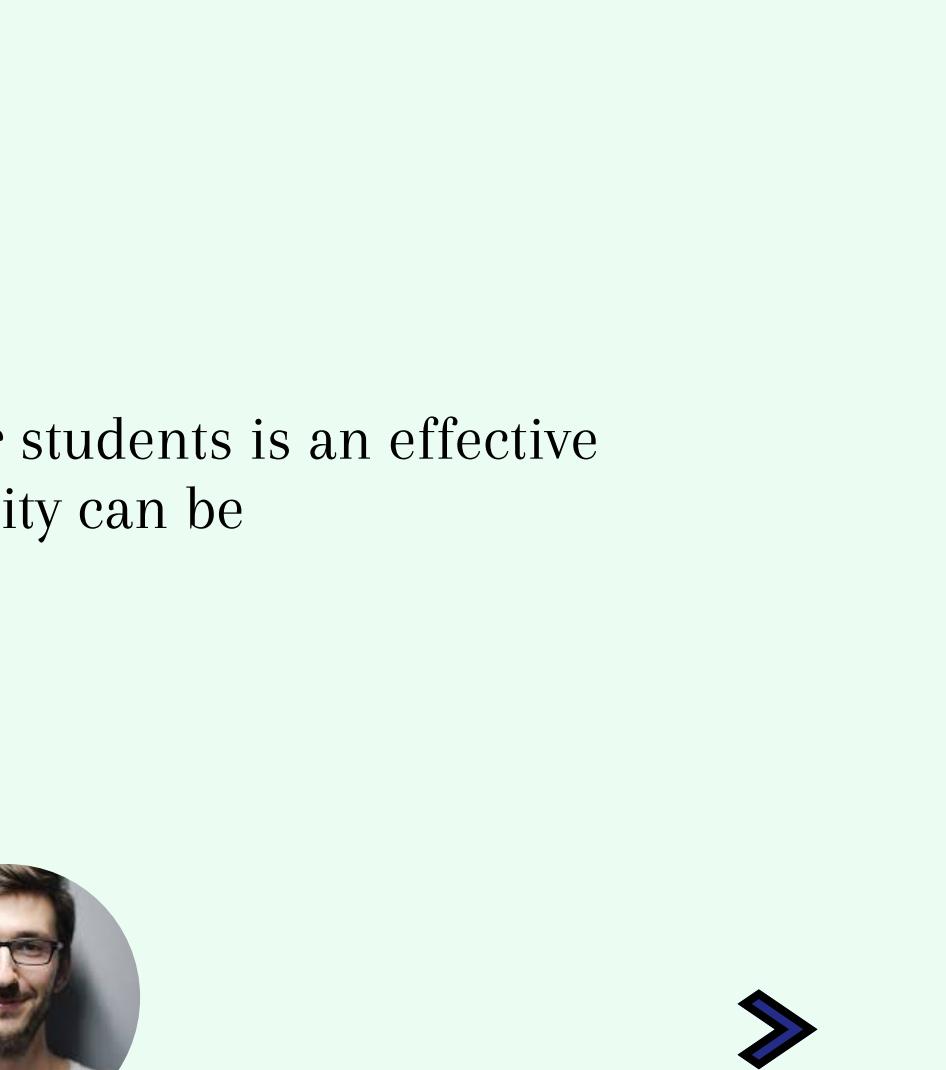

Elite Effortless English is an organization with rich infrastructure and highly trained and qualified team of professionals committed towards rendering quality education. Our English language programmes have been developed with the emphasis on our student's individual requirements. We have small group of students in every batch so that every student in every programme has an opportunity to practice a lot. The classroom approach is to create an informal atmosphere for purposeful learning. Our friendly teachers will make the classes interesting and enjoyable and use modern teaching methods and materials to build your confidence in speaking English. We organize different types of group activities to improve your comprehension and communication skills.

Studying at Elite will inspire you and will give you rich experience. I look forward to welcoming you to Elite.
